BRYGIDA RICHCREEK

Computer Programmer

Team Player

Filmmaker

ABOUT ME

I am a software developer with an interest in web development. While I have limited *professional* experience, I have a long history of successful independent work. From Blender-Python interfaces to JavaScript web frontends to Rust macros and even programming competitions, I am sure I can demonstrate I'm ready to take on the challenge.

EXPERIENCE

Orange County Public Schools – Information Technology Internship

Aided the IT team in completing their summertime duties, such as maintaining projectors, fixing internet outages, and reimaging more than 1000 laptops

Created Balli – A JavaScript based game

Using my knowledge of JavaScript, HTML and CSS, I created Balli, a simple web browser game. Code repository available at https://github.com/script-mouse/balli

ACHIVEMENTS

- Microsoft Technology Associate (MTA) Certification – Introduction to Programming using JavaScript
- MTA Certification – Introduction to Programming using HTML and CSS
- Adobe Certified Professional in Visual Design with Photoshop 2021 and Digital Video with Adobe Premiere Pro 2021
- Wrote, Directed and Filmed "Do Not Disturb", a short film which placed first in the PSA category at Orange County Student Media Festival
- Published 5 Rust libraries with more than 100 downloads each

ACTIVITIES

- Competed as part of a team from my school at the 38th annual UCF high school programming competition (Placed 15th out of 79 teams)
- Member of Boone High School's chapter of the Zeta Omicron Computer Science society from 2022-2024 (Elected Historian in 2023)
- Member of Boone High School's Chapter of the National Honor Society from 2023-2024
- Current member of the Developmental Programming Team at UCF
